POSITIVE TEST- POST RACE

New Jersey Racing Commission (NJRC) licensee Per Engblom was the programmed trainer of the horse "Mon Amour" when he raced in the 6th race at the Meadowlands Racetrack on April 29, 2023 and finished in first place. Following this race, "Mon Amour" was selected to submit post-race blood and urine samples for analysis. A report from Industrial Laboratories identified the presence of Oxycodone, Carisprodol and Meprobamate, a metabolite of Carisprodol. At Mr. Engblom's request, split sample testing was performed at Texas A&M Veterinary Medical Diagnostic Laboratory, which is an approved independent laboratory. These testing results did confirm the presence of Oxycodone, Carisprodol and its metabolite Meprobamate. This is in direct violation of the rules and regulations of the New Jersey Racing Commission. An administrative hearing was conducted on December 6, 2023 in the Judges' office at the Meadowlands Racetrack to accept evidence and testimony regarding this matter. As a result of this hearing, the Board of Judges have determined that NJRC licensee Per Engblom was the programmed

trainer of the horse "Mon Amour" when he raced in the 6th race at the Meadowlands Racetrack on April 29, 2023 and the presence of these prohibited substances is in direct violation of N.J.A.C. 13:71-23.1, and N.J.A.C. 13:71-23.6. As a trainer licensed by the NJRC, Mr. Engblom is the absolute insurer of and responsible for the condition of a horse within his care and custody and shall not enter or start a horse that has in its body any drug or substance foreign to the natural horse. As a result of the evidence and testimony presented at the administrative hearing held on December 6, 2023 regarding the post-race positive test from the horse "Mon Amour" for the drug Oxycodone on April 29, 2023, Mr. Engblom is hereby issued a full suspension of his NJRC license for a period of one year (365 days). Said suspension shall begin on March 15, 2024 and run through March 14, 2025 inclusive.

Status as of 5/14/2025 - Stay - The New Jersey Racing Commission ("Commission") is in receipt of a notice of appeal and request for a stay from Andrew R. Benedict, Esq. on behalf of his client Per Engblom. By Ruling No. 24MDH35, dated February 15, 2024, trainer Per Engblom was issued a three-hundred-eighty day suspension, a \$6,000 fine, disqualification of purse, and 8 Multiple Medication Violation ("MMV") points by the Board of Judges at Meadowlands Racetrack for violation of N.J.A.C. 13:71-7.29(a)13, N.J.A.C. 13:71-23.1(a)(b)1, and N.J.A.C. 13:71-23.6(a)(b)(c)(d) in connection with a positive test result in the horse "Mon Amour" when it completed in the 6th race at Meadowlands Racetrack on April 29, 2023. On January 2, 2025, Administrative Law Judge ("ALJ") Thomas R. Betancourt issued an initial decision, which affirmed the finding of violations and all penalties except the three-hundred-eighty day suspension which he reduced to ninety days. On March 19, 2025, the Commission determined to modify the initial decision. The Commission found that the appropriate penalty should include a three-hundred-eighty day suspension as ordered by the Board of Judges in Ruling No. 24MDH35. The Commission issued a Final Decision, dated April 23, 2025, setting forth its decision and modifications. The Acting Executive Director, having considered the request for a stay, hereby grants a stay of the penalties pending a final determination by the New Jersey Superior Court, Appellate Division. Related rulings: 25TRH5, dated April 23, 2025; 24TRH10, dated February 28, 2024; 24MDH35, dated February 15, 2024.

Trainer Michael Hall was the trainer of record on horse COVENTRY HALL in the 12th race on December 18th, 2024, at Rosecroft Raceway. Post-race analysis of blood sample #E721121 taken from COVENTRY HALL identified the presence of ADB-Fubinaca. This was identified by the primary Maryland Racing Commission laboratory, Industrial Laboratories. At Hall's request, a split sample was sent to the University of California, Davis for confirmatory analysis, which confirmed the presence of ADB-Fubinaca in the blood. As a result, Hall is fined \$2,500.00 and must return all purse monies. Given credit for 76 days served (last training start at Bally's Dover on February 27th, 2025), Hall will be issued a 284-day full suspension from May 14th, 2025 through February 21st, 2026. During this suspension, he and all horses trained and/or owned by him are barred from the grounds under the jurisdiction of the Maryland Racing Commission. Additionally, COVENTRY HALL is disqualified, finishing first and placed ninth. Once Hall's suspension is completed, he must reapply and receive approval from the Maryland Racing Commission to obtain licensure. Aggravating and mitigating factors were considered in the determination of this ruling.
